# About us

---

- Since its establishment in 1987, GROUPA has gained an excellent reputation as a pioneer in the development of real estate.
- We have worked on more than 25 projects in the most important areas in Alexandria.
- We have 35 years of experience in the construction field.
- In 2009, we launched a series of Stars Tower projects that have added a lot of sophistication and offered the highest level of luxury finishings.
- Now we are working hard to provide the best after sales service for our concern of our customers satisfaction.

# About us

---

- **GROUPA's** journey first began in 1985 with an innovative vision that reflects the company's goal.
- After working on more than 25 projects and having 35 years of experience in the construction field, we felt the necessity of hijacking the interior design field especially after Stars Tower project series. From **GROUPA's** perspective, we feel that it is an obligation to hand in our clients the top-notch finishing they deserve.
- Therefore, In 2014 we established **H-designs**, the interior design specialist company. It is related to **GROUPA** company. A company **GROUPA** proudly presents as it reflects the value and vision that we maintain since 1985. Out of the mutual trust between us and our clients, **H-designs** has successfully finished more than a hundred different projects, between residential apartments and villas, administrative offices, dental clinics, medical centers, and hospitals..etc., which have been completed across various governates.

From **GROUPA's** perspective, we feel that it is an obligation to hand in our clients the top-notch finishing they deserve.
- **Groupa Import** started the trend in this field because the materials were not available on a continuous basis, and decided to establish the company to import the various materials needed to service its projects.  
Now we have a door agency specialized in Turkish and armored doors.
- **GROUPA IMPORT AND EXPORT** also has a team of consulting and import specialists.
- It imports wooden and armored doors.
- It imports wooden cladding panel.
- It imports furniture and office furniture.
- It imports marble and porcelain.
